Sun, 06 May 2018 01:46:00 GMT [PDF] Download The Economics of Public Issues (17th ... - Economics of Public Issues is a required book to complement the main text. This book is very easy for students to read. The chapters are very short (2-5 pages) and the examples are excellent. A theme throughout this book is the role of negative unintended consequences of government policy. I have never taken nor taught a course in

public policy or political science, but this book might make a great complement in those fields as well.
